## Congratulating the Class of 2021

It is with a tremendous sense of pride that I congratulate the Class of 2021 on their VCE results. As individuals and as a cohort they have shown tenacity, strength and courage in the face of the many challenges presented over the past two years of the VCE journey. They have emerged bonded as a cohort and it was wonderful to witness their supportive camaraderie and enjoyment of each other's company during their Valedictory events. They enter the world as capable young people who have shown themselves to be creative, compassionate and caring leaders of the School community during their senior years. In response to the demands placed on them by the disruptions caused by the pandemic, they continued to look outward for ways to contribute to the lived experience of their peers and to the broader community beyond the School's gates. I have no doubt they will continue the tradition of Old Michaelians making a significant, positive difference to the world and they leave with my very best wishes for the future.
